

If we can't find you, we can't help you!

When emergency responders are called to a given location, there may be a delay in response if crews are unable to see the address from the street. As everyone in this area knows, GPS locations are not always accurate. The few extra minutes it may take to locate your address could cost you your home — or your life.

EMERGENCY ADDRESS SIGN FUNDRAISER FOR THE SIERRA SPRINGS REGIONAL FIRE SAFE COUNCIL

SIERRA SPRINGS
Regional Fire Safe Council

Sign details: 6" X 18" .063" aluminum covered with green reflective vinyl
